REPORT OF MBA RURAL CAMP 2015

The rural camp, 2015 was organized by Vimal Jyothi Institute of Management and Research in Malakkappara, Kanhangad by assisting in the construction of orphanage building, for the MBA students of VJIM (2015-2017), which provided an opportunity to the students to gain practical exposure of working with under privileged people in the rural areas. The rural camp was held from 04 to 09 December 2015. Fr. Joseph Kanivelil, the co-ordinator of VJIM and faculty in charges Mr. Anoop Scaria helped the team to conduct the rural camp successfully. The College Chairman Rev. Fr. (Dr.) Thomas Melvettathu had visited the camp site to evaluate and assess the progress of the rural camp.

Objectives of the camp

- To enable the students to develop social oriented attitudes
- To inculcate the spirit of concern for the needy.
- To initiate team spirit among the students.
- To provided rural exposure and experience the life of the underprivileged masses through staying with them.

Students were divided into three groups even before the rural camp began. Also, different committees were made- Core committee, Documentation committee, programme committee, finance committee, travel & accommodation committee, discipline & medical committee, food committee and cultural committee. Each committee had daily responsibilities, which were done in a structured manner. Every student had multiple responsibilities each day.

Activities Conducted During the Rural Camp

Students were involved in building construction, cleaning and painting activities. They also planted saplings in the surroundings. Campaigning and cultural events also conducted for the inmates on camp days.

Learning Outcome of the Rural Camp

MBA students got an experience of group living, sharing their experience and participating with under privileged group. They also applied management methods into practice. This rural camp created opportunities for every student to develop a sense of team work. It helped them to break from self-circle or self-centered thinking created by them. They also learned to take responsibilities, gain management skills, gain skills in planning, organizing programs in the community and develop skills to conduct social surveys and analysis
